**HON. BARBARA LEE**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 12, 2001*

Ms. LEE. Mr. Speaker, I rise today to honor and salute Patricia Halsey Laverdure for her faithful service to the United States Military.

Colonel Laverdure has dedicated her life to providing legal counsel to military members and their families. When she joined the U.S. Marine Corps, she was interested in criminal law, and became a very successful judge advocate. However, Colonel Laverdure was

drawn to family law because she knows the burdens that military families face, such as long periods of separation, spousal abuse and low pay. She saw the need for family services so she began to practice family law. Colonel Laverdure established the first spousal abuse programs for the U.S. Marine Corps Family Service Centers.

Colonel Laverdure later became the Chief of the Legal Assistance Branch of the Maintenance and Logistics Command Pacific for the U.S. Coast Guard in Alameda, California. At a time when the military was downsizing, Colonel Laverdure was overwhelmed with huge caseloads. Despite the large amounts of casework, she enlisted the aid of military attorneys from the Navy Reserve and, together with other Coast Guard Attorneys, completed their cases and increased the number of clientele.

Colonel Laverdure has won numerous awards such as the Meritorious Achievement Award, the ABA LAMP Distinguished Award and the Coast Guard Meritorious Award. It is only natural that Congress should recognize Colonel Laverdure for her patriotism, her service to the United States military service and her human compassion for her others.

I proudly join Colonel Laverdure's family and friends to pay tribute to Colonel Patricia Halsey Laverdure.

AGRICULTURE, RURAL DEVELOPMENT, FOOD AND DRUG ADMINISTRATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2002

SPEECH OF

**HON. THOMAS G. TANCREDO**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 11, 2001*

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2330) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 2002, and for other purposes:

Mr. TANCREDO. Mr. Chairman, I rise in opposition to H.R. 2330, the Agriculture Appropriations Act, a bill considered on the floor today which makes appropriations for the Department of Agriculture and related agencies. But more specifically, I rise in strong opposition to the increase provided in the bill for the Food and Drug Administration (FDA) and would like to call the House's attention to a problem that one of my constituents has been having with the agency and one that I believe deserves careful consideration by the oversight committees in this chamber.

Recently, the FDA gave final approval of my constituent's Pre-Market Application for both total and partial joint implants after an exhaustive and blatantly biased two year review, but not before costing his company over \$8 million in legal fees, lost wages and profits.

In April 1999, I received a phone call and letter from TMJ Implants, a company located in Golden, Colorado, in my district, which had been having problems with the review of its Premarket Approval Application of the TMJ Total and Fossa-Eminence Prosthesis. Up until last year, the company was the premier market supplier of temporomandibular joint prosthesis.

Over the last two years, I have taken an active interest and an active role in monitoring the progress of TMJ Implants' application, which was finally approved in February. On numerous occasions, I met with Dr. Bob Christensen, President of TMJ Implants, to find out information about the approval of the Partial and Total Joint, and personally talked to FDA Commissioner Jane Henney and to members of the Agency about the status of the company's applications. I was also, and continue to be, in contact with the House Commerce Subcommittee on Oversight, which has sole jurisdiction over the FDA and issues relating to abuse and the internal operations of the agency.

Specifically, I closely followed this case since my office's first contact with Dr. Christensen and TMJ Implants in early May 1999, after a meeting of the FDA's Dental Products Panel of the Medical Devices Advisory Committee was held to review the company's PMA and recommended approval of
